Differentiated Homeworks for Key Stage 3 PE

Support transition into GCSE PE with these carefully selected independent learning tasks for KS3 students.

30 interesting and versatile activities, each differentiated at two levels – allowing you to tailor tasks for each student.

'Mix and match' as:

- ☺ **Homeworks**
- ☺ **Cover sessions**
- ☺ **Classroom-based learning tasks**

Perfect Preparation ahead of the New GCSE Specifications.

NEW!

Explore, Research and Apply key issues and bring PE to life.

Exploration Worksheets – Introduce and test basic knowledge across all key topics in PE – building reflective learners to inform GCSE PE strengths and weaknesses.

Research Tasks – Delve deeper into the topic – developing study skills and self-managers for future learning.

Application Tasks – Bring theory to life – building connections and applying PE knowledge to real-life sporting examples and through valuable practicals.

Covering 10 major topics chosen from all of the GCSE specifications:

1. Nutrition
2. Fitness
3. Health
4. Skeletal System
5. Goal Setting
6. Cardiovascular System
7. Respiratory System
8. Participation Rates
9. Risks & Injury
10. Physical Activity Development

- ⇒ Answers provided – for easy marking
- ⇒ Great cross-curricular links provide skills in research, report writing and data interpretation

"The range and versatility and ability to mix and match is impressive. All key topic areas are addressed and I would personally be quite happy if more of my students had acquired some of this knowledge".

– R. Devlin, Director of Learning PE & Ind. Reviewer

ZZGP/6302 £59

Teaching through Roles: Sport Education Guide to Football

NEW!

Complete 8-week course applying the Sport Education Model to football, including teacher's guide and student workbooks for each role. Empower students to take responsibility for learning, assess performance and stay motivated as a *Captain*, *Manager*, *Official*, *Player*, *Fitness Instructor* or *Statistician*.

Flip the Responsibility!

Workbooks provide opportunities for each student to plan, lead and evaluate across 8 weeks, building towards a final tournament.

- ☺ Focused and clear write-on tasks – for each role and every lesson – provide students with a deeper understanding of sporting roles beyond the performer
- ☺ Concise, accessible instructions engage students as independent learners
- ☺ Explicit AfL opportunities – weekly progress, peer feedback and self-assessments – 'What went well', 'Even better if' and 'Rate yourself'

Fully Resourced – Easy to Prepare, Facilitate and Assess learning

- ✓ Comprehensive teacher's guide: 8 detailed lesson plans, plus overviews of the model, roles and scoring system
- ✓ Activities provided in 2 formats:
 - ☞ A5 write-on workbooks for students to keep or
 - ☞ 48 A4 task sheets to pull out for each lesson

"The step-by-step activities are clear and easy to follow... Each lesson is different and allows student to work collaboratively and independent of the teacher"

– P. Kilroy, Teacher and Independent Reviewer

ZZGP/6303 £59

NEW!

KS3 Outdoor Adventurous Activities (Without Going Offsite)

22 physical and intellectual challenges developing a range of key transferable and life-based skills without the need to go offsite. Carefully constructed pair, small-group and whole-class activities get students planning, leading, debating, cooperating and analysing performance. Great for use as full lesson activities or as warm-ups/icebreakers.

Every Activity Includes:

- ✓ Clear defined aims – demonstrating the skills being developed during each challenge
- ✓ Step-by-step instructions and key rules – focused towards student-led learning!
- ✓ 'Make it Harder' differentiation opportunities
- ✓ Thoughtful questions and discussions – elicit wider application of key skills across other subjects and beyond school life

Covers key aspects of the National Curriculum Programme of Study, including the 'use of a range of tactics and strategies', 'improving and analysing performance' and 'taking part in outdoor adventurous activities'.

- ⇒ Includes teacher's overview – highlighting support, preparation, skills developed and health and safety considerations for *each* activity.

"Good use of key learning skills, could imagine using with my sixth-form students who are involved in lesson support / using for G&T learners to develop skills or as a guided discovery-based lesson"

– R. Devlin, Director of Learning PE & Ind. Reviewer.

ZZGP/6297 £39

KS3 Orienteering (without Going offsite)

Differentiated orienteering and problem solving activities for KS3 students. Activities can be used in the gym or on the playground. No specialist equipment needed except a compass for later activities.

- ★ Constructive lessons when outside activities are cancelled
- ★ Minimal equipment needed

ZZGP/2276 £24

Count me in! Activities for Non-Participants

Definitive photocopiable resource covering 18 activities, differentiated to 3 levels. Allows your non-participants to actively take part in your lessons.

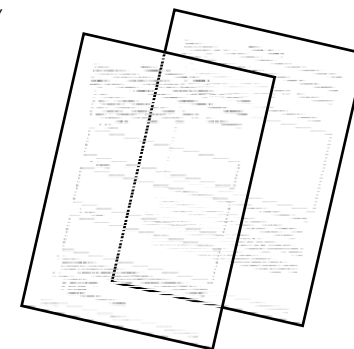

Athletics, Badminton, Basketball, Cricket, Dance, Fitness, Football, Gymnastics, Hockey, Netball, Rounders, Rugby, Swimming, Tennis, Volleyball

This resource is also produced in a write-on version, which is available as a free download when you purchase this resource. Details of the download are provided in the resource.

- ☺ Organised by sport in a presentation folder
- ☺ Includes observation tasks

"Excellent... gets students busy straight away. Saved me lots of time!"

– G Mayhew, Head of PE & ZigZag Customer

**Demonstrates inclusion
for OFSTED**

ZZGP/1922 £99+VAT

AQA Starters and Plenaries

Interesting and original starters and plenaries for GCSE PE theory, carefully designed with a strong focus on learning.

Varied activities motivate and enthuse students with different learning styles, while the clear focus on stated learning aims supports classroom-based teaching.

- ⇒ Full specification coverage in spec order
- ⇒ Complete teacher's notes with clear learning aims, instructions for every activity and answers
- ⇒ All materials included – an easy-to-use, pick-up-and-teach resource

Individual, pair, group and whole-class work, with activities including a quiz, spider diagram, match-up questions, clipboard review, taboo, fact files, colour coding, 'Which fitness test am I?' and more...

"Reduces workload and the planning of lessons...
Perfectly links to the syllabus"
– A Pass, Head of PE & ZigZag Customer

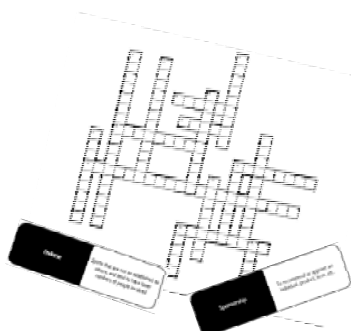

ZZGP/4916 £39

AQA Keyword Activities

Ensure students get to grips with keywords with fantastic topic-by-topic activities. All topics in the specification are covered, providing a sound basis for each unit.

The subject content is broken down into 12–15 sets of keywords with definitions and clues. For each set there are four different activities, providing varied options for classroom learning, homework and revision.

- ★ Activity worksheets for individual and group work (match-up, dominoes, fill in the gap)
- ★ Crossword worksheets and interactive web-based crosswords – great for VLEs
- ★ Complete solutions included

ZZGP/5476 £49

AQA Learning Grids

Brilliant learning grids, supporting weaker students and covering all the GCSE AQA theory. Cross-referenced to the endorsed textbooks.

A **godsend** for those students who find learning difficult and for the less willing. Leads to *active learning*, *identification of key points* & the *structuring of information*.

- ✓ The structured method of learning grids are of great value to students, especially if they find it difficult to absorb all the information in class
- ✓ An easy-to-set, yet valuable homework option
- ✓ Requires minimal preparation and interaction from the teacher – great for cover lessons!

Students **have** to read their textbook/ notes to complete a grid of questions.

The result is a set of comprehensive revision posters.

"An excellent resource for use both in the classroom and for homework extension activities. It is easy to follow and challenges students to think about their work"

– N Kennedy, Head of PE & ZigZag Customer

"Clear, concise and easy for student use... An excellent revision tool"

– A Moore, HoD & ZigZag Customer

"Superb... Simple, quick to use, clear and linked specifically to AQA..."

Useful for all students"

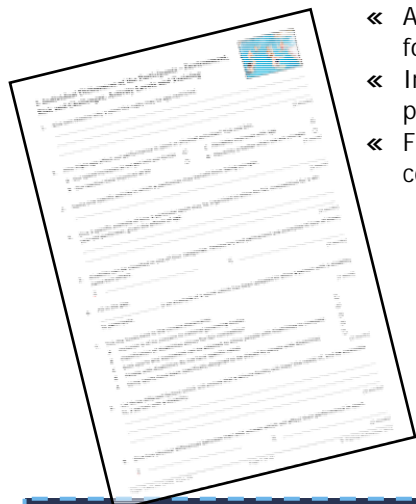

– A Meader, HoD & ZigZag Customer

ZZGP/4667 £64

BESTSELLER!

AQA Topic Tests

Identify which areas your class are strong on and which need a recap with this topic-by-topic question bank – *written specifically for the GCSE AQA specification*. Contains 30–40-minute tests, which can be used in class as an end-of-topic test or handed out for homework.

- « Answers and mark allocations make these easy for you and your students to mark
- « Include exam-style questions – great preparation for the final exam
- « Full new specification coverage, with short course material clearly marked

"A very useful resource as it has a variety of questions as per the exam. The way it is split into the appropriate sections makes it easier to use as and when appropriate"

- K Smith, PE Teacher & Ind. Reviewer

"An excellent resource with questions that challenge the students and allow the school to help monitor pupils levels for each area of the course"

- B Naughton, Head of PE & ZigZag Customer

"An excellent tool to demonstrate progress and a very useful revision resource.... Comprehensive and relates closely to the specification"

- G Williams, PE Teacher & Ind. Reviewer

"A very good set of resources, they can be used at the end/during a module of work to evaluate levels of understanding. The tests relate closely to the course and are pitched at an appropriate level"

- P Stacey, Head of PE & Independent Reviewer

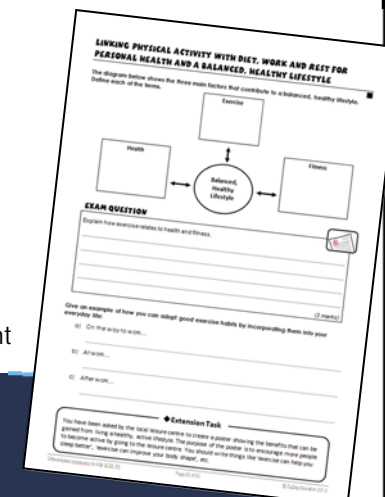

ZZGP/4855 £44

AQA Differentiated Homework Sheets

Imaginative and varied homeworks, each at two differentiated levels, allowing you to easily tailor work to the needs of individual learners.

- ⦿ Interesting activities include: *mind maps, key term match-up, complete the table, labelling diagrams, gap fill, prose answers, questionnaires, presentations, commentaries, crosswords, graphs, multiple choice and more...*
- ⦿ Extension activities throughout to stretch and challenge Gifted and Talented learners
- ⦿ Lower ability sheets for learners up to C/B grade and higher ability from C/B–A*

- ✓ Also **fully referenced to key skills** to easily provide evidence of this in your teaching
- ✓ Answers provided for easy marking
- ✓ Covering **every topic** of the GCSE theory content

"A fantastic tool in the teaching of AQA GCSE PE. The specification is covered in adequate detail with a range of differentiated activities. It caters for all abilities with simple key word activities up to challenging extension tasks"

- J Clark, PE Teacher & Ind. Reviewer

"A fantastic resource, it is broken down into easy to access sections, clearly linked to the AQA specification. Each section of the theory specification is broken down into easily accessible tasks. The resource will allow students to extend and consolidate their learning from lessons and it encourages students to think for themselves"

- C Tudberry, Head of PE & Ind. Reviewer

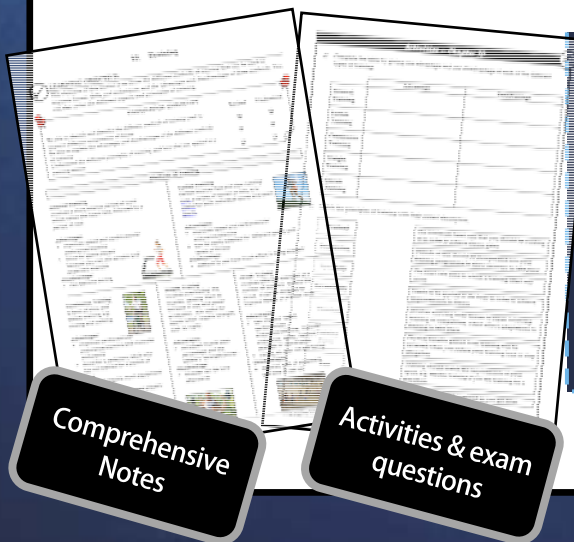

ZZGP/4915 £64

AQA Active Revision Guide

Concise, student-friendly revision notes with engaging activities. Carefully structured to focus student revision, with achievable tasks to improve motivation.

Each chapter contains:

- ❶ **Knowledge checklist and learning objectives:** *students understand exactly what they need to learn and are motivated to record their progress*
 - ❷ **Comprehensive notes** *in spec order, leaving no stone unturned*
 - ❸ **Activities** *for active revision and to reinforce understanding*
 - ❹ **Exam questions** *prepare students for the question types in the exam*
- ★ *Contains answers for easy peer/self-assessment*
 - ★ *Accessible and engaging images and diagrams throughout*

"Very useful and comprehensive...
Matches the specification very well"
- G Bradshaw, Teacher & Ind. Reviewer

"Informative and helpful"
- C Lough, PE Teacher & Independent Reviewer

"Using these notes along with the
included tasks would be an excellent
way for pupils to prepare for the exam".
- S Lovatt, PE Teacher & Ind. Reviewer

ZZGP/5517 £69

AQA Practice Exam Papers

They say practice makes perfect. Give your students extra practice for their exams with three invaluable papers for each spec, all exactly matching the style of the exam – perfect!

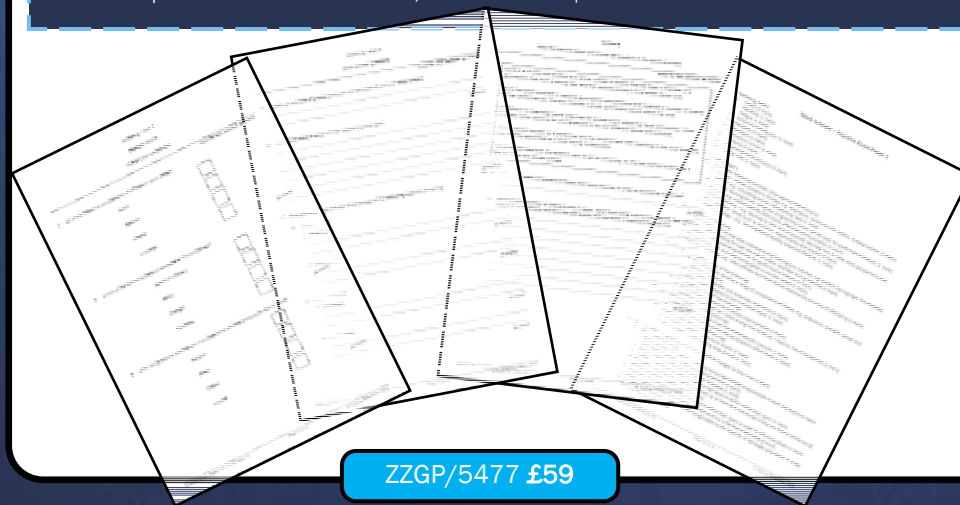

- ☑ Contain full, detailed mark schemes
- ☑ Written specifically for the latest GCSE specs
- ☑ Fully cross-referenced to the specification
- ☑ Include *original* Section B scenarios

"Excellent resource...set out like the real AQA paper. Style of questions fits with the specification very well, asking a variety of questions from different topic areas. Great assessment tool for mock exams." - A Frain, Teacher and Independent Reviewer

"Very useful... Appropriate and realistic exam questions mirrored those that would appear in the final exam... Focuses learning and teaching to relevant questions and application of knowledge." - V McKinnon, PE Teacher & Independent Reviewer

"Scenario's well written and in detail. Could be used as an end of term test or as part of students independent revision." - R Devlin, Teacher and Independent Reviewer

ZZGP/5477 £59

AQA Section B Pre-Release Scenario Exam Preparation Pack (Summer 2016)

A unique resource, totally focused on maximising exam performance and containing the material that students need to prepare for Section B on the pre-release scenario:

- An **introduction to the scenario** – *what is there and what does it mean?* With key terms highlighted and explained.
- Clear and concise **revision notes**, related specifically to the Summer 2016 scenario and in specification order. Activities for every section to develop exam skills and consolidate learning.
- Two Section B **practice exam papers**, with model student answers and mark schemes.
- Teaching **PowerPoints** for delivery of the scenario material
- Structured revision cards

"Excellent... A guaranteed grade raiser"

H Burningham, HoD & ZigZag Customer

Can you name previous years people and places?

ZZGP/6140 £59
Pre-order for March '16

Fantastic feedback from customers of previous best-selling editions

"This is a must for delivering the AQA scenario. There is an excellent range of questions for discussion and written response."
- M Turner, HoD & ZigZag Customer

"Fantastic and great to have. It not only benefited our pupils but staff as well. It is a real tool to help both staff and students."
- L Stirling, HoD & ZigZag Customer

"Excellent preparation for our students... We found the resource extremely helpful and time saving."
- N Foster, Teacher & ZigZag Customer

"Excellent and linked well with the eventual exam questions... Well structured, pitched at the right level and helps students focus their revision to the scenario."
- A Hamilton, HoD & ZigZag Customer

"Extremely useful. This is a must for AQA GCSE PE!"
- T Williams, HoD & ZigZag Customer

"Excellent – also doubles up as a revision booklet. It's easily laid out, specific, and can be used for homework and for exam practice."
- G Shackleton, HoD & ZigZag Customer

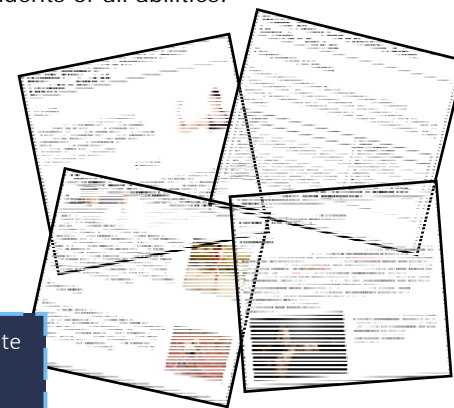

AQA Revision Cards

170 photocopiable revision cards covering all the content for GCSE AQA PE. Make revision manageable and achievable for students of all abilities!

- Multitude of uses for home or classroom learning – starters, plenaries, paired/group work and a personal revision tool
- Engaging presentation with diagrams and illustrations throughout
- Structured in specification order

Cards effectively chunk down the syllabus into bite size sections"

- C Staples, Teacher and Independent Reviewer

ZZGP/5690 £39

Edexcel Personal Exercise Programme – Student Writing Guide

Theory and activities to guide students through creating their own genuinely personal exercise programme while meeting the needs of the Edexcel specification.

For each chapter:

- « Key **theory recap sheet** summarises everything students need to know
- « **'Warm-up' questions** get students thinking about *their* PEP
- « Related **case study** applies the theory material to writing a personal exercise programme
- « Student-friendly **checklists** to ensure everything is included

Chapters cover: Individual Needs, Types of Fitness, Fitness Testing, SMART Goals, Methods of Training, Designing a Warm-Up and Cool-Down, The FITT Principle, Risk Assessment and PAR-Q, Taking, Recording and Analysing Measurements, Evaluation

- ✓ Extension activities throughout to stretch and challenge Gifted and Talented learners
- ✓ Lower ability sheets for learners up to C/B grade and higher ability from C/B –A*
- ★ Also **fully referenced to key skills** to easily provide evidence of this in your teaching
- ★ Answers provided for easy marking
- ★ Covering **every topic** of the GCSE theory content

"Matches and interprets the specification very, very well. The sub headings are an exact link with the syllabus. It addresses each topic area well and has a great range of questions and question types. It could be used in class or as homework and also works as a quick check revision sheet" – P March, Director of Sport & Independent Reviewer

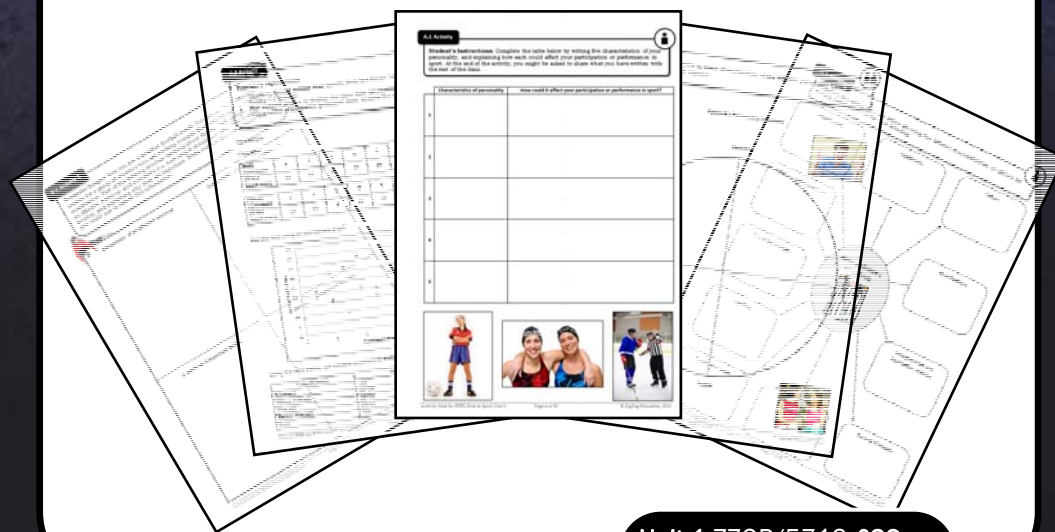

ZZGP/5114 £64

BTEC (Firsts) Activity Packs

15–20 creative and engaging activities per unit, enabling students to develop the skills and knowledge they need for BTEC success.

Carefully designed to motivate and enthuse learners, the varied individual, class, group and practical activities cover every specification topic.

- Full answers included
- Organised by specification topic, so you can pull out a worksheet when you need it
- Ideal as starters, plenaries, homeworks or whole-lesson activities – the perfect complement to your scheme of work

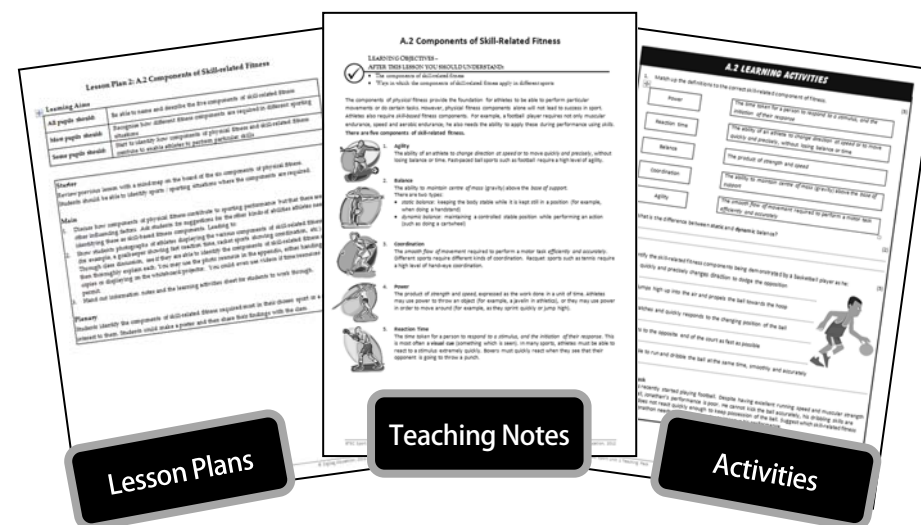

Unit 1 ZZGP/5719 £39
Unit 2 ZZGP/5720 £29
Unit 3 ZZGP/5721 £34
Unit 7 ZZGP/6352 £34

BTEC (Firsts) Teaching Packs (UNITS 1–7)

Comprehensive notes in student-friendly language structured in specification order. Regular, varied activities engage students with different learning styles to consolidate learning. Recap questions ensure students retain key information.

- ★ Packed full of case studies, illustrations and diagrams
- ★ Lesson plans, scheme of work and answers
- ★ **Units 1 & 7:** Contain a **full practice exam** paper with answers
- ★ **Units 2–6:** Students build up assignment work throughout the unit, covering all the Pass, Merit and Distinction criteria as they learn

"The learning tasks and support materials are of a high quality, clear concise and relevant to pupil understanding and completion"
- S Diggle, Head of PE & Ind. Reviewer

"The learning outcomes are concise and well structured to make progress from more simple to more complex activities/ideas. The text and descriptions of key words/phrases are brilliant. It provides all the relevant points in easily accessible language"
- T Bristowe, PE Teacher & Ind. Reviewer

"A great resource with activities for all learners. Well annotated throughout, with tasks to keep students engaged"
- A Petch, PE Teacher & Ind. Reviewer

"The value of this resource is high. Pupils do not want to be just listening to the teacher at the front of the classroom. This resource will allow the pupils to think for themselves with guidance from the information from the sheet"
- A Frain, PE teacher and Ind. Reviewer

Unit 1 ZZGP/4672 £99
Unit 2 ZZGP/4868 £59
Unit 3 ZZGP/5401 £49
Unit 4 ZZGP/4673 £49
Unit 5 ZZGP/4674 £49
Unit 6 ZZGP/4869 £49
Unit 7 ZZGP/5518 £89

BTEC (Firsts) Unit 1 Revision Guide

Concise, student-friendly revision notes, written specifically for the new BTEC First in Sport (Next Generation 2012) Unit 1 external assessment.

- ✓ Contains answers for easy peer-/self-assessment
- ☺ Accessible and engaging images and diagrams throughout

Carefully structured to focus student revision, with achievable tasks to improve motivation.

Each chapter contains:

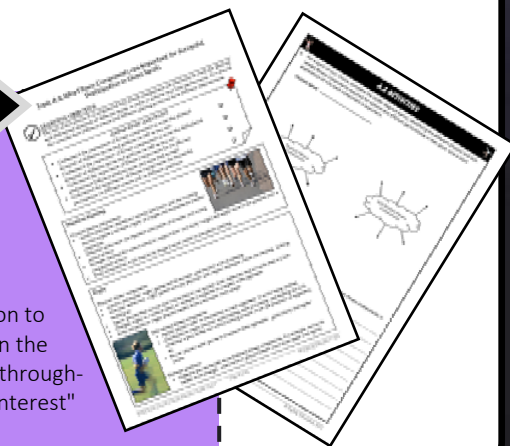

- **Knowledge Checklist and Learning Objectives:** students understand exactly what they need to learn and are motivated to record their progress
- **Revision Notes** in spec order, leaving no stone unturned
- **Revision Activities** for active learning and to reinforce understanding
- **Exam Questions** prepare students for the question types they will face in the exam

"Offers considerable support"
- T Marsland, HoD & Ind. Reviewer

"A great resource for students and teachers...
Well laid out, concise and clear"
- P Smyllie, PE Teacher & Ind. Reviewer

"Supports students through learning in relation to sports, and answering and reading correctly in the exam. The pages are broken down into tasks throughout which supports and maintains students' interest"

- S Wills, PE Teacher & Ind. Reviewer

ZZGP/4981 £54

BTEC (Firsts) Practice Assessments (UNITS 1 & 7)

They say practice makes perfect. Three photocopiable practice assessments exactly matching the full range of question styles in the **new External Assessments** – *Perfect!*

- ✓ Paper-based resource mimics the electronic test on paper – so you don't need a computer for revision or a mock
- ✓ Papers are fully cross-referenced to the specification content – helping you target areas to improve

Give your students extra practice in the new External Assessments. Original to ZigZag Education.

"A great selection of questions to help support students within the unit... Fantastic in enhancing students' knowledge"

- S Wills, Teacher & Ind. Reviewer

ZZGP/4675 £59
ZZGP/5613 £59

BTEC (Firsts) Assignment Packs (UNITS 4 & 5)

Three original and engaging assignments for Units 4 and 5, each covering **every** assessment point for Pass, Merit and Distinction.

- ★ Provides **differentiated assignments** tailored for weaker and stronger learners
- ★ Multiple approaches including both holistic scenarios and short independent tasks, giving students a choice of assignment
- ★ Broken down assignments allow students to catch up on missed criteria – with no extra work for the teacher

"Really useful and informative. Clearly laid out for easy use by staff and students... The ready-made assignments give a clear focus" - P Mowforth, PE Teacher & Ind. Reviewer

- ✎ Cleverly designed worksheets with checklists – easy to mark and give feedback
- ✎ Logical progression through all criteria – your students won't miss a thing

Unit 4 ZZGP/4676 £49
Unit 5 ZZGP/4677 £49

NEW!

BTEC (Nationals) Activity Pack (UNIT 7)

Explore, apply, evaluate

22 stimulating, ready-to-use activities covering the whole of BTEC Unit 7, designed to embed theory through practice and develop key personal learning and thinking skills. Individual, paired and group activities to suit all learning styles – visual, auditory and kinaesthetic.

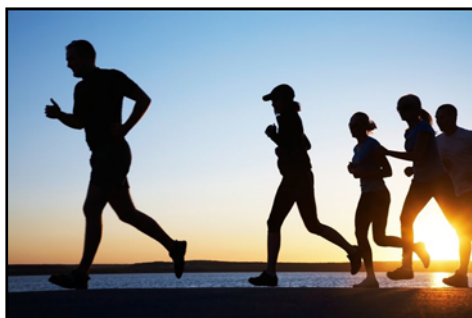

"A valuable asset to any teacher to support the delivery of this unit"
- R Devlin, HoD & Independent reviewer

"If a learner completed just this pack alone, they would achieve a distinction grade" – N Wilson, College Lecturer & Independent Reviewer

Includes:

- ★ Classroom-based activities – great for consolidation
- ★ Practical sessions to encourage vocational application
- ★ Case studies providing opportunity to interpret data and spark discussion
- ★ Summary Exam tests students' understanding of the unit as a whole
- ★ Clear and accessible answers for all activities reduce your planning and marking time

Carefully constructed against the learning outcomes to inspire independent enquirers, creative thinkers, reflective learners and self-managers. Progressive structure, ranging from fun starter tasks to whole-lesson activities – **a great way to complement assignments!**

ZZGP/6137 £34

Edexcel Learning Grids

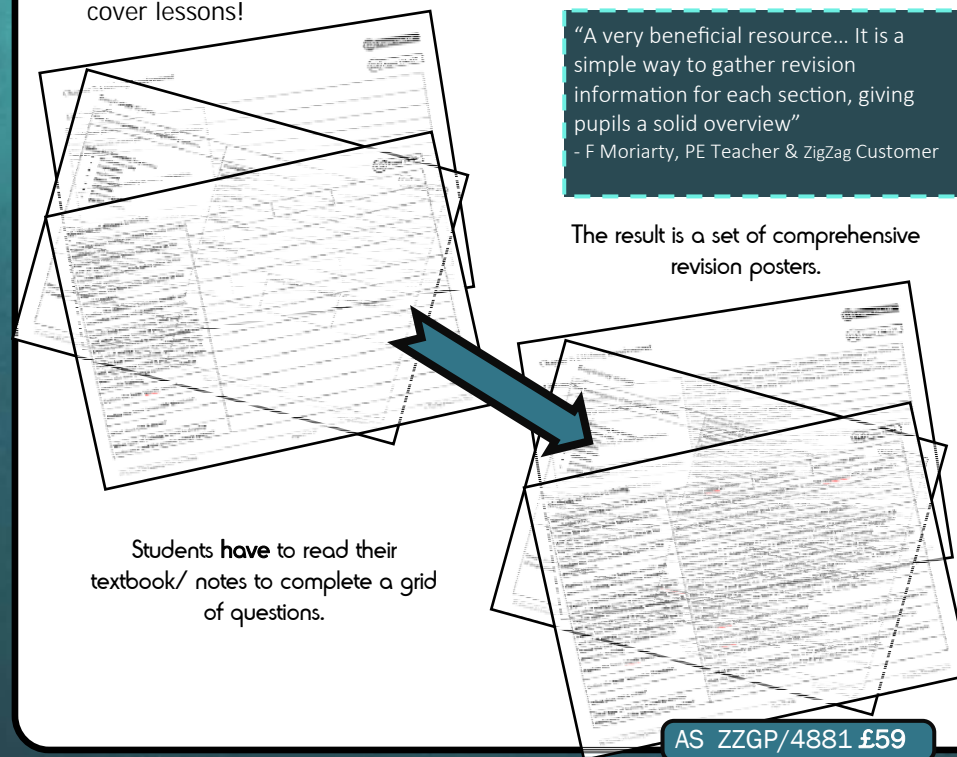

Brilliant learning grids, supporting weaker students and covering all the AS Edexcel theory. Cross referenced to the endorsed textbooks.

A **godsend** for those students who find learning difficult and for the less willing. Leads to *active learning*, *identification of key points* & the *structuring of information*.

- ✓ The structured method of learning grids are of great value to students, especially if they find it difficult to absorb all the information in class.
- ✓ An easy-to-set, yet valuable homework option.
- ✓ Requires minimal preparation and interaction from the teacher — great for cover lessons!

"A very beneficial resource... It is a simple way to gather revision information for each section, giving pupils a solid overview"
- F Moriarty, PE Teacher & ZigZag Customer

The result is a set of comprehensive revision posters.

AS ZZGP/4881 £59

AQA Topic on a Page

16–17 visual summaries which cover **all** the key content concisely for great revision and to *help weaker learners get their heads round each topic!*

Each summary is provided as ① a completed poster and ② partially complete with exercises for active revision.

Specifically written for the AQA specification.

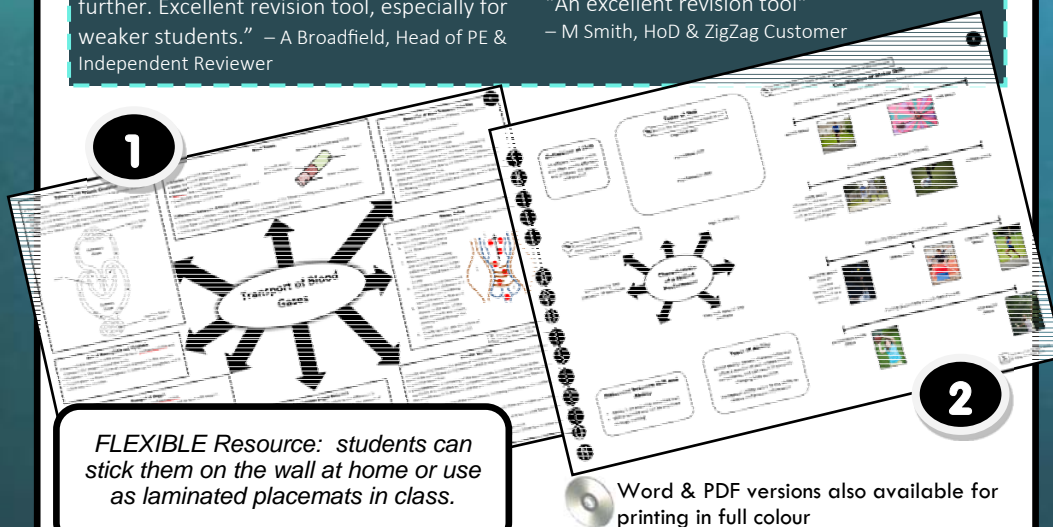

- ★ Black and white for easy photocopying
- ★ Perfect for visual learners and EAL students
- ★ **Every** point for **every** topic condensed to a single A3 page.

"A very useful resource as pupils can see a whole topic on one page, identify areas of weakness and then research these areas further. Excellent revision tool, especially for weaker students." – A Broadfield, Head of PE & Independent Reviewer

"Very accessible for students of all ability"
– H Leathart, HoD & ZigZag Customer

"An excellent revision tool"
– M Smith, HoD & ZigZag Customer

FLEXIBLE Resource: students can stick them on the wall at home or use as laminated placemats in class.

Word & PDF versions also available for printing in full colour

AS ZZGP/5235 £59

AQA Topic Tests

Identify which areas your class are strong on and which need a recap with these topic-by-topic question banks – *written specifically for the A Level AQA specification.*

Each test lasts 30–40-minutes, and can be used in class as an end-of-topic test or handed out for homework.

- ✓ Answers with mark allocations make these easy for you and your students to mark
- ✓ Write-on tests that are easy to administer
- ✓ Full coverage in specification order – can be used flexibly with any Scheme of Work

A mix of exam-style questions and factual testing – suitable for all abilities!

"A very useful revision tool. It allows staff to assess students' understanding of the subject area"

– G Williams, PE Teacher & Ind. Reviewer

"Helps students' learning as not only does it test knowledge, it allows teachers to assess regularly and identify students who need more support"

– Y Kennedy, PE Teacher & Ind. Reviewer

"All areas of the specification are covered with plenty of past paper style questions for students to practice"

– A Petch, PE Teacher & Ind. Reviewer

"It is great to have a bank of questions which we can use to help pupils when it comes to answering exam questions. The questions are very exam specific and match the spec well"

– M Prior, PE Teacher & Ind. Reviewer

AS ZZGP/4872 £49
