

# Competition

Can you draw? Would you like to win a wonderful prize? If so, read on.

What to do

We are looking for a picture which will convey your impressions of your holiday or interest someone else in trying that destination. We are looking for something exciting, different, vibrant. What you choose to draw or paint is entirely up to you. You can do a pen and ink drawing, a sketch, a painting – the choice is yours.

To give you a few ideas for starting off, you can do a straightforward picture of the area near where you are staying, the beach or the mountains and countryside. How about a view of the locals at work or play. Have you seen a particularly beautiful piece of architecture. Have you seen something funny that you wish to share with people. There is no end to the type of picture you can submit.

The Prize

An artist's kit worth over £50 plus for the winners between ages 9 and 14 a two-hour session with a professional artist or for the winners of the 15-16 age group a short course of lessons with a professional artist.

The kit includes paints, brushes, paper, pens, easel and much, much more. The session(s) with the artist will give you the chance of learning professional tips and tricks and will also give you the chance of learning your strengths and weaknesses of technique and execution. A prize worth having for any budding artist.
