

Terrific Tours Competition

We will be running a competition for children throughout the summer on all flights. The competition is all about making a picture about their holiday. The children will be asked to either draw, paint or sketch a picture which best illustrates their holiday. It can be about atmosphere of their resort, the surroundings, the country or just what fun was had. It doesn't matter.

All entries will be judged by a panel of well-known artists.

The Age Groups

The children who will be allowed to enter the competition must be between the ages of 9 and 16. They will be judged in 3 age groups, the youngest group being the 9-11 year olds, the second group will be they 12-14 year olds and the top group will be the 15-16 year olds.

The Prize

All the children will be competing for an artist's kit worth over £50 and a session with a professional artist. The top age group will have a short course with the artist instead of a single session.

The winning entries will be used in future promotional material, so we are hoping for a good standard of entries. We will also be putting all the entries on our web site for a short period so that everyone can see the standard of entries.
