Activities Since Term Began

Hello again all our students – new and old. We have all been very busy since the beginning of the new academic year, especially the Art and Design Department!

Our Art and Design department has been living up to its reputation again this term and has been showing industry just how much talent Gedlingborough College has.

3 Students deserve special credit this term. They are as follows:

Nick Boothroy – Graphic Design HND
Academy Award- Runner up

Our HND students were asked to design a box for housing a wine bottle. Nick came up with a clear plastic box with print and embossing in an unusual lily design. Well done Nick.

Zara Smith – Fine Art
Glasgow School of Art – Course Offer

Zara has successfully been picked for a place next year on the BA Hons Fine Art at Glasgow School of Art, the most prestigious art school in the UK, she already has her work exhibited in the OMNI gallery in London.
Well done Zara.

Paul James – Photography
Image Bank – Award Winner

Paul is in his second year of BTEC HND in Photography, his photographs of London Docklands at night are outstanding, we all can see a great future ahead of him, and I want a couple of copies for my office wall please!
