SOCIALS

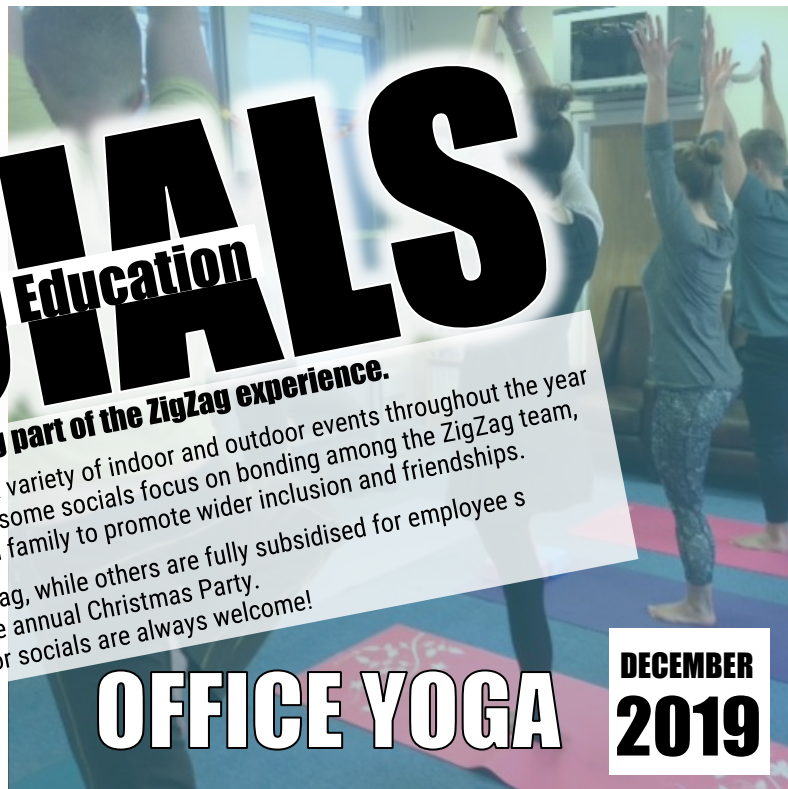

ZigZag Education

Socials are an exciting part of the ZigZag experience.

A specially dedicated social team organises a variety of indoor and outdoor events throughout the year – so there's something for everyone! While some socials focus on bonding among the ZigZag team, other events are open to partners and family to promote wider inclusion and friendships.

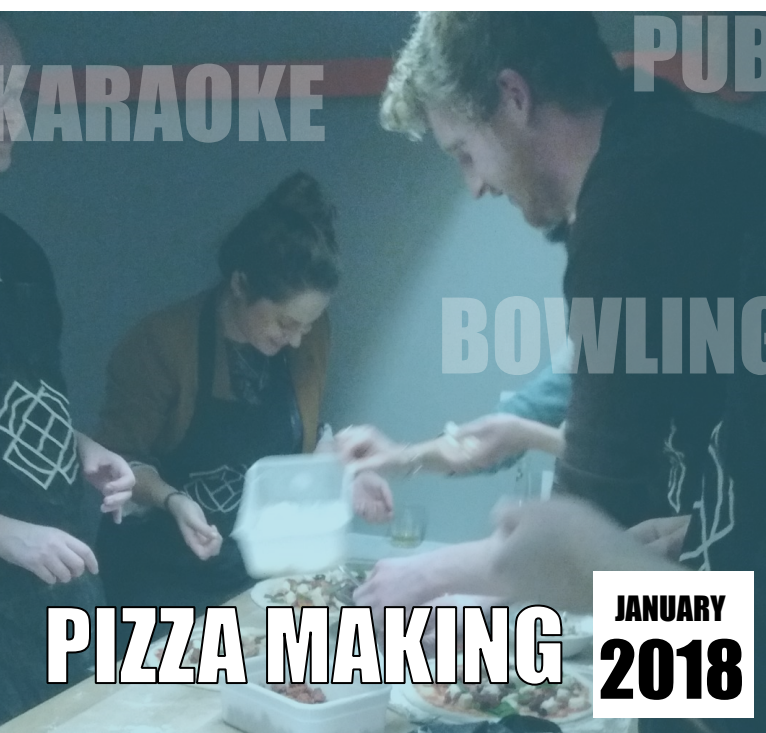

Most events are subsidised by ZigZag, while others are fully subsidised for employee s – like the annual Christmas Party.

New ideas for socials are always welcome!
