

Teacher's Notes

Tired of pupils making the same punctuation errors over and over again?

'PERFECT PUNCTUATION' provides practical applications of punctuation rules in interesting, stimulating and topical ways.

This KS3 resource pack contains worksheets, model answers and lesson ideas for every type of punctuation – from full stops and capital letters to colons and semi-colons. This resource is linked to the national curriculum and provides new and exciting ways of applying punctuation rules. The worksheets are fun and informative and provide a stepping-stone to other areas of the subject and the curriculum.
